INTERNATIONAL RUGBY LEAGUE MATCH

# By Paddy McAteer of The Barrow News.

It doesn't seem twelve months since we were here last year for the Open-Age International between these two countries and one will be hoping that today's game will go off with no hitches for the Amateur League Officials have put a lot of hard work into this fixture, and we will be out to prove yet again to Rugby League's top brass that John Elliott and his band of men here in Barrow can put on a show fit for a king.

Although we are out in the wilderness up here we can still produce good players which we have proved only in the last few seasons when we have supplied the following captains for the England Open-Age side :-

Ray Oldfield (three times).

Bob Wear.

Harold Studley.

Ron Jackson.

Jimmy Hollywell - Last season's skipper.

Although Barrow Rugby League Club's 'gates' are not anything to shout about there is no doubt than when Amateur fixtures such as County and last year's International are played here we can boast that we have the best supporters in the land this was proved last season when over 2,500 turned up for the International. So here's hoping that this afternoons game will provide plenty of entertainment for all concerned.
